The Great India-Rubber Case

Baltincoun, July 9. The great India-Robber case of Horaco
H. Day and others against Jobn Stillman is
now on trial in the United States Circuit
Cours in this city, before Judge Giles. This
case, with others lavolving the same issues,
is now undergoing a final hearing before
going to the Supreme Court of the United
States, on the claim of the plaintiff to the exclusive right to manufacture and self-what
is known as woven classic india-Rubber is known as woven elastic ludia-Rubber goods. A preliminary injunction had previously been granted in ail the cases in this district, and the argument now pending is to have a permanent injunction issued, wholly restraining the defendents from vending vulcanized rubber goods. A strong army of legal talent is engaged on both sides.

MONTREAL, July 9. A private letter from R. Stuart, Esq., agent of the New York Associated Press at Liverpool, received by the steamer Hungarian yesterday, says: "The great advantage of the Farther Point Telegraph Station was clearly demonstrated on the arrival of the steamer Hungarian, which, thanks to your liberal supply of agent from that liberal supply of news from that station, placed us in possession of the effect of the news taken out by the steamer North Briton in the short space of eighteen days after the said news left this point, a feat without a

FORSMAN'S Portable grinding & bolting FLOUR MILLS.

HAVING MADE AN ARRANGEMENT with the Fatentee, we are now prepared to furnish to order the above Mills, of any size, burrs and bolts. The filli is simple in its construction, having very little machinery occupying but little space, and warranted to do more work with the same amount of power and make as compared to the same amount of power and make as construction. space, and warranted to do more work with the same amout of power, and make as good a quality of flour, as any Mill now manufactured. Proprietors of Saw Mills, especially those that use steam, would find it to their advantage to purchase one of these Mills, for the purpose of doing custom grinding—either wheat, corn or other grain. The Mil will be sold withor without the bolt. The principle of the Mill is equally applicable to the construction of large Merchant Mills, and persons about to build, would do well to call and examine.

We will also furnish with the Mills, Bolting Recis of any size and length; Smut Machines, Wheat Ceaners, Flour Packers, etc.

Orders respectfull, solutied.
